**Whole life, whole Bible - living in the light of scripture.** We started a new series in June which takes us through the unfolding story of the Bible showing how our lives are bound up with, and shaped by, God’s plan to restore a broken universe. The big story which unfolds should have an impact on our daily life as we live in God’s world, in the light of God’s word, wherever we are. We start by looking at Creation and Corruption. The series is based on materials from the London Institute for Contemporary Christianity (LICC).

'You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot. 'You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. *Matthew 5:13-16*
