## **Activity 3**

Prayer

Father God,

Thank you that you always had a plan to rescue us. Thank you for sending Jesus to be our Rescuer, our Saviour. Thank you that we can read about Jesus because of what Luke and other people wrote down for us. Amen.

#### **Activity 4 Craft**

#### **DIY challenge!**

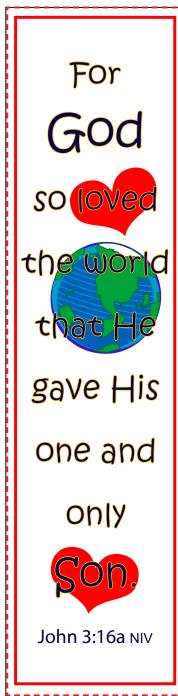

As we can't give you the materials at present and everyone has different things at home, this week's craft is a challenge for you to use your imagination, make something that will remind us that Jesus is our Saviour.

You can do a drawing, painting or collage; you can make a model with lego, with recycling materials, even with food (then you get to eat it afterwards!); you could make a bookmark or card to send to a friend; you may have many more ideas yourselves.

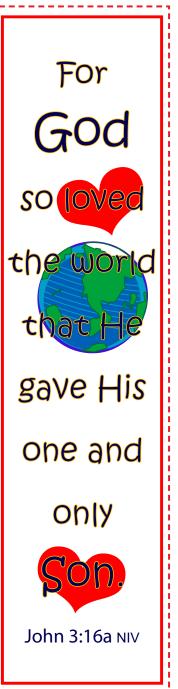

Here are some ideas to get you started...

#### **Activity 5**

**Memory Game** 

Play with one or more other people in your family. Take it in turns to do some simple actions.

One person says, 'Start' and then does two or three actions, such as walk across the room, pick up a book, stretch, put your hands on your head), then says, 'Stop!' Another person tries to copy the actions exactly.

See how many you can do before you make a mistake or can't remember!

Let us know how you get on!
